DISCLAIMER:

The UNOFFICIAL totals are based on the following:

- The number of voters who are checked in to vote at an early voting center.
- The number of voters from whom an early voting ballot by mail is received.

NOTE: The numbers of early voters by personal appearance are UNOFFICIAL until all administrative documents collected from each voting center are reviewed and reconciled in accordance with the Texas Election Code (TEC). Similarly, the number of mail voters is also UNOFFICIAL until all voting by mail administrative procedures required by the TEC, from the beginning to the end of an election, have been executed.

In short, the numbers provided on this page are UNOFFICIAL until after the legally mandated post-election-day reconciliation of all voters that cast a ballot by mail, early in person, and/or Election Day is complete. In accordance with the election code, the final results are provided to the governing authority of each political entity that ordered an election for canvassing.
